If you are not the intended recipient, you are hereby notified that any disclosure, copying, distribution or the taking of any action in reliance on the contents of this information is strictly prohibited.

#### **DESCRIPTION:**

This product is a solvent-based dispersion of fluorocarbon resins and modifiers. Its excellent adhesion, durability, heat resistance and non-stick character make it an excellent choice for a variety of applications where dry lubrication and release in an abrasive environment are needed.

#### **FDA:**

This product conforms with FDA regulations governing coatings for direct food contact. It has not been approved by the USDA for meat processing applications.
